## Overview of Pocket News Reader

Arabic Pocket News Reader is designed by Informobility L.L.C to provide you with the latest news in Arabic. The current content providers included are Asharq AlAwsat newspaper and the AMEInfo website. It allows you to read Arabic newspapers and magazines on your handheld device.

## Software Features

Stay in-sync with the entire world's news on the go.

Using Informobility's **In4 News Reader** keep track of the topics that matter the most to YOU. No matter where you are **In4 News Reader** will keep you posted.

- Get your daily fix of news from leading content providers.
- Archive the articles that matter to you.
- Share interesting articles with your friends, family and co-workers by beaming them.
- Save time by selecting topics that matter most to you and
- **In4 News Reader** will display them on a ticker tape appearing on your Today Screen.

## Browse News

1. Tap , to display the available news providers and the respective news dates.

2. Select the issue you would like to read from the menu.
3. Tap  to select a news category.

4. Select the category you need.
5. Tap  to view all the available articles in the selected category.

6. Select the article you want to read. The selected article number and number of articles in the selected category appear at the top right corner of the screen.
7. Tap  to read the next article if you are in Arabic mode. Otherwise, it will navigate to the previous article.
8. To tap  to read the previous article if you are in Arabic mode. Otherwise, it will navigate to the next article.

## Create Account

The application will be installed with a demo news file. To get latest news you have to create and account and a news profile on the content web site.

1. Create your own account at <http://www.content2go.net/register.aspx>
2. Follow the registration steps and select your favorite news categories.

The screenshot shows a registration form titled "التسجيل" (Registration) in Arabic. The form is divided into two main sections: "اسم المستخدم و كلمة المرور" (Username and Password) and "معلوماتك الشخصية" (Your Personal Information).

**اسم المستخدم و كلمة المرور:**

- اسم المستخدم (Username): new user
- كلمة المرور (Password): masked with dots
- تأكيد كلمة المرور (Confirm Password): masked with dots

**معلوماتك الشخصية:**

- البريد الإلكتروني (Email): abcdef@domail.com
- تأكيد البريد الإلكتروني (Confirm Email): abcdef@domail.com
- الإسم الأول (First Name): empty field
- اسم العائلة (Last Name): empty field
- المدينة (City): empty field
- البلد (Country): الأردن (Jordan)

There is a checkbox labeled "أنا أوافق على شروط و قوانين الخدمة أثناء." (I agree to the terms and conditions of the service while.) which is checked.

At the bottom, there is a "استمرار" (Continue) button and a disclaimer in Arabic: "تحذير: هذا البرنامج محمي بحقوق الطبع و المعامدات الدولية. ان نسخ او توزيع البرنامج بكامله او لاي جزء منه يعتبر مخالفة قانونية تعرض مرتكبها للملاحقة تحت اشد العقوبات."

3. On your Pocket PC device tap **Menu** and select **Settings**.

4. Enter your username and password.

5. Make sure that server is sync.content2go.net and the port is 80.
6. Ensure that the "Delete old news while sync" is checked so that it can overwrite old issues automatically and also sync the news every time you tap the Sync button.
7. Tap **ok**

Synchronize to get the latest archive by tapping on the green synchronization (place picture of sync icon here) button.

## Synchronize

To download the news you chose in your profile to your handheld device, perform the following steps:

- Tap 
- Or tap **Menu** then select **Synchronize**

A downloading screen will appear. Wait until the downloading process is finished or tap **cancel** to stop.

## Display News On Today Screen

To view a running ticker tape of today's news on the Today screen, do the following:

- Make sure that the News Reader is selected to be displayed On the Today screen.
  1. Tap  > **Settings** > **Personal** tab > **Today**.
  2. Tap **Items** tab.
  3. Select **News Reader** check box.
  4. Tap **ok**.
- You can customize the category of the displayed news on the Today Screen to display your favorite category
  1. On the Today Screen, tap news ticker and hold.
  2. Select **Settings**.
  3. In **Settings** screen, enter your username and password if it does not exist.

4. Select the provider and/or category you want displayed in the ticker tape.
5. Tap **ok** to save changes. Else **إلغاء** to cancel the changes.

## News Archive Options

- At page top, you can see the number of articles in the selected category and the number of the displayed article.
- Tap on the previous and next arrows to navigate between articles (in the same category).

## In4 News Reader

- Tap **Article** and select **Archive Information** to get the details of the selected archive.
- Tap **Article** and select **Delete Current Issue** to delete the current displayed news archive.
- Tap **Article** and select **Beam Current Issue** to beam the current displayed news archive to another device. The other device should have Arabic Pocket News Reader installed to read the news.

## Font Size

You can change the font size to make it clearer and easier to read.

- Tap  to increase the article font size.
- Tap  to decrease the article font size.

## Change Interface Language

To change interface language, tap **Menu>Language** and select the language you want.

## Find Word

1. Tap  or tap **Articles> Find** to find a word within the current issue/archive.
2. Enter the symbol, number, letter, or word you want to find
3. Tap **Ok**; a screen appears with the results of your search showing the article in which the word was found.
4. Select the desired article then tap **ok** to display the article that contains for the found item.
5. Tap  or tap **Articles> Find Again** to go to next result in the result set.
